****Value of all railroad equipment cars owned and/or leased by company**
(TOTAL OF COLUMN 9)

_____ FAIR MARKET VALUE (FMV) IN U.S. DOLLARS

Ratio of Georgia car wheel miles to U.S. car wheel miles

Taxable FMV of railroad equipment cars in Georgia

U.S. DOLLARS

PRINT NAME

PRINT COMPANY TITLE

SIGNATURE

COMPANY TITLE

State of _____ County of _____

Before me personally appeared _____, of said company, who being duly sworn depose and saith that the foregoing statement contains a true and correct return of all railroad equipment cars owned or leased by said company therein named, and that the value thereof as stated is its fair market value.

Sworn to and subscribed before me

this _____ day of _____, 20_____.

NOTARY PUBLIC

****If the FMV of all railroad equipment cars owned or leased by company differs from the total column (9), Form PT-702, attach all data and analysis supporting value returned.**

INSTRUCTION SHEET FOR COMPLETION OF PT-702PU CAR DESCRIPTION AND COST DATA FORM

- Column 1: YEAR ACQUIRED:
Date that reporting company acquired the property, regardless of the condition of the car, or the year built.
- Column 2: REPORTING MARKS:
List initials of all cars. If all cars have the same initial you need only to list once.
- Column 3: TYPE OF CAR:
State type of car: flat, hopper, tank, etc.
- Column 4: NO. OF CARS OWNED AND LEASED:
Report all cars owned as well as cars leased for which the reporting company is liable for taxes.
- Column 5: ORIGINAL COST TO PRESENT OWNER:
State actual cost in U.S. dollars to present owner, regardless of original cost at date built.
- Column 6: CAPITAL IMPROVEMENTS:
Include all capital improvements associated with the cars since their purchase, by the year that the expenditure was made. Correlate with the year(s) acquired of the car(s) receiving the improvements.
- Column 7: TOTAL COST:
The total cost including capital improvements (Col 5 & 6).
- Column 8: PERCENT GOOD:
Use the depreciation schedule attached. Use only the percent good shown on the schedule for the year acquired you are reporting.
- Column 9: FAIR MARKET VALUE (FMV):
The FMV is arrived at by totaling columns 5 and 6, and multiplying the sum, by the percent good shown in column 8.

USE ADDITIONAL SHEETS IF NECESSARY

***NOTE: A computer generated report may be substituted; however, the report submitted by your company must include all of the above requested information in the format shown on the Department of Revenue forms.

**INFORMATION SHEET FOR RAILROAD EQUIPMENT CAR
COMPANIES**

1. Georgia Code Section 48-5-511 requires that all tax filings be made on or before **March 1** of each year.
2. Georgia Code Section 48-2-36 allows for an extension in filing time. **All requests for an extension in filing time must be made in writing, prior to the March 1 deadline.** This request may be mailed or faxed to us.
3. Any company failing to comply with the March 1 filing deadline that has not requested an extension in filing time will be assessed a penalty of ten percent (10%) as allowed by law. Any company granted an extension in filing time, who fails to file by the extended deadline will also be assessed a ten percent (10%) penalty.
4. Computer generated return forms created by your company may be used, but must include **ALL** of the information required by the Department of Revenue, and must be shown in the **same** format as the Department of Revenue forms.
5. Please read any enclosed instructions carefully. Returns received by the Department of Revenue that are found to be incomplete, or incorrectly filled out, may be returned to you for correction and/or completion.
6. The Department of Revenue requests that you report **ALL** cars owned and/or leased by your company, not just the cars traveling in and through Georgia, in Column 4 of the PT-702PU form. The total number of cars entered on the form PT-702 PU must equal the total number of cars entered on the form PT-704PU.

If there are any questions, or we can be of further assistance to you, please call the Public Utilities Section at 404-724-7008.
